

Competition 2011

Quarterly Account would like readers to
send it anything for publication.

Yes, anything!

Well, pretty much anything.

It could be, for example, a poem, a photo, a letter,
or a Viewpoint piece. It could even be a full blown
article. All we ask is that the contribution is, in
some way,
money advice themed.

We're offering a £50 cash prize for the best
contribution and we'll publish as many as possible.

Please send your contribution to
