MONEY ADVICE SERVICE DEBT ADVICE PROJECT CASEWORKER

37 hours per week

We are looking for a positive and professional Debt Advice Caseworker to work as part of a small team, covering the full range of debt work throughout the South Hams, East Devon and Teignbridge areas as part of the Money Advice Service face to face Debt Advice Project.

The successful candidate will have at least two year's debt advice experience, will be flexible and adaptable, and will ideally hold the Certificate in Money Advice Practice (CMAP) qualification (or equivalent). Good communication skills both verbal and written are essential, along the ability to work in an empowering way.

This project is target driven, and you will need to be able to prioritise your own work, meet deadlines and manage your caseload successfully to achieve the project target.

As the role will involve visiting people in their own home, there is a need for travel throughout Devon, and so the use of your own car is an essential requirement.

This role currently has confirmed funding until March 2019; although we anticipate that funding will be extended beyond this date.

Salary - £22, 837.50 +3% pension contribution
